DESCRIPTION & RATIONALE Policy #18 is the joint Board of Governors and Senates policy that governs the process for appointing designated senior academic administrators. Policy #18 requires the President to convene an advisory committee and to consider the advice of the advisory committee when making a recommendation to the Board of Governors regarding the appointment of a designated senior academic administrator. Composition of the advisory committees are described in the Procedures to the policy.

Recently, amendments to Policy #18 and its associated procedures, resulting from creation of the position of Vice-Provost, International, were approved by the Board of Governors, Vancouver Senate and Okanagan Senate. Upon approving the amendments to Policy #18 and its associated procedures, both the Okanagan Senate and the Vancouver Senate proposed an additional amendment to the procedures to restore specific representation from both Senates on the advisory committees convened under the policy. In addition, feedback has been received from faculty members at UBC.

Feedback from UBC faculty members demonstrates that faculty members value the ability to be directly involved in advisory committees and to provide input and apply their expertise in selecting UBC's leadership. Similarly, feedback from the Vancouver Senate and Okanagan Senate demonstrates that both Senates value the ability for senators to work frequently with senior administration, both to provide input and expertise along with the Board of Governors as branches of UBC's formal governance structure, and to academically govern the University.

Primary amendments to the Procedures are as follows:

- amending advisory committee membership for each position where persons are selected by the UBC Okanagan Senate or the UBC Vancouver Senate, as applicable, to be persons selected by and from the UBC Okanagan Senate or UBC Vancouver Senate, as applicable; and
- amending advisory committee membership for each position under Policy #18 to include two persons elected by and from the faculty members from UBC Okanagan or UBC Vancouver, as applicable.

Therefore, the membership of the advisory committees convened under Policy #18 will include members from the UBC Okanagan Senate or UBC Vancouver Senate, as applicable, who may or may not be faculty members, as applicable, as well as additional at-large faculty members.

Policy #1 (Administration of Policies) states, "Procedures may be amended by the President, provided the new procedures conform to the approved policy. Such amendments are reported at the next meeting of the Board of Governors and are incorporated in the next publication of the UBC Policy and Procedure Handbook."

On November 10, 2017, President Santa Ono approved amendments to the Procedures to Policy #18. These amendments are now being reported to the Board of Governors in accordance with Policy #1.

BENEFITS The amendments to the Procedures to Policy #18 change the composition of the advisory committee membership for each of the positions appointed under the policy to include both representation from the Okanagan Senate and Vancouver Senate as well as UBC faculty members from both campuses.

- 2.5 The Chair of the **Advisory Committee** for the selection of an **Academic Associate Vice-President** must consult with the President before confirming the composition of the **Advisory Committee**.
- 2.6 **Student Member Elections:** For student members, the nominations and the elections are to be conducted in accordance with procedures satisfactory to the Registrar. The Registrar may authorize a student society to conduct the nominations and/or elections processes on his or her behalf.
- 2.7 **Senate Selections:** For a Senate selection, the selection process is to be conducted in accordance with procedures satisfactory to the relevant Senate. Without limiting the generality of the foregoing, the Senate

may authorize a committee (such as, for example, the Nominating Committee) to conduct the process or to simply make the selections.

3. Replacement of Advisory Committee Members

- 3.1 **Vacancy or Inability to Participate:** If a member of an *Advisory Committee* becomes unwilling or unable to serve as a member of the *Advisory Committee* before it has completed its work, the Chair, in consultation with the President, may appoint a replacement member. While the replacement member may be any person whose participation is expected to contribute significantly to the *Advisory Committee*'s activities, the usual practice is for the replacement member to be from the same stakeholder group as the person being replaced.
- 3.2 **Student Status:** If a student member of an *Advisory Committee* ceases to be a student at the University but remains willing and able to continue to serve as a member of the *Advisory Committee*, the Chair, in consultation with the President, may permit the student to continue to serve or may appoint a replacement student member. Any such replacement student must meet the same eligibility requirements as the student who is being replaced. For example, if the student being replaced is a graduate student selected from the graduate students associated with a specific campus, the replacement student will be appointed from the graduate students associated with that campus.
- 3.3 If a replacement member is not appointed, the *Advisory Committee* may complete its work notwithstanding the vacancy.

4. Procedure for Advisory Committee

- 4.1 The Chair of the Advisory Committee will be responsible for calling meetings.
- 4.2 Meetings may be held face-to-face, via telephone conference, video conference or any means determined by the Chair of the Advisory Committee.
- 4.3 The quorum required to transact business at meetings will be a majority of the members of the Advisory Committee unless otherwise determined by the Chair.

5. Customary Practices: In making appointments to an *Advisory Committee*, including replacement appointments under Article 3 of these Procedures, the President will endeavour to provide for a diverse and balanced *Advisory Committee*.

6. Term and Remuneration

- 6.1 The form and amount of remuneration of *Designated Senior Academic Administrators* must be established and documented in writing at or before the effective date of the appointment.
- 6.2 Designated Senior Academic Administrators may be appointed for terms of up to five years.

7. Responsible Executive

- 7.1 **Appointment:** The individual responsible for Policy #18 and these associated Procedures is the President.
- 7.2 **Sub-Delegation:** The Responsible Executive is not limited in sub-delegation of the duties hereunder but remains responsible for oversight.

8. Administrative Leaves

- 8.1 As part of the terms of an appointment, a *Designated Senior Academic Administrator* may be granted an administrative leave, to be taken at the conclusion of the appointment, provided, however that any such grant of administrative leave as well as any remuneration and/or benefits to be received by the *Designated Senior Academic Administrator* during any such administrative leave must be documented in writing at or before the effective date of the appointment.
- 8.2 Recognizing that administrative leave is intended to provide for a reasonable period of time for senior administrators who are returning to the academic ranks to focus on their scholarly and professional activities and to re-integrate with their disciplines before they resume their regular duties as faculty members, administrative leave will only be granted to the *Designated Senior Academic Administrator* if he or she holds a tenured appointment and actually returns to active duty as a faculty member for at least one year immediately after the period of the administrative leave.
- 8.3 If an administrative leave is granted, time served as a *Designated Senior Academic Administrator* and time taken on administrative leave will not be included in the years of service for the purpose of calculating study leave.
- 8.4 During the period of administrative leave, the faculty member continues to be a full-time employee of the University, and is required to comply with the University's policies and procedures.
- 8.5 Any arrangements with respect to administrative leave for a *Designated Senior Academic Administrator* that were established and documented in writing prior to May 1, 2008 will not be affected by these Procedures.
- 8.6 Any deviations from the Articles of these Procedures dealing with administrative leave may only be made with the written approval of the President.
