PRIOR SUBMISSIONS
The subject matter of this submission has been considered previously by the Employee Relations Committee on the following occasions:

1.  June 16, 2020 (OPEN SESSION)
Pursuant to a request that certain proposed amendments to section 5.3 of the Procedures to the Academic Heads Policy be further considered, this item was removed from the Board meeting agenda and was not discussed at this time.

2.  June 2, 2020 (OPEN SESSION)
Proposed amendments to the Academic Heads Policy and its Procedures were published for community consultation from February 10, 2020 until April 30, 2020. This submission included a summary of the changes proposed to the Policy and its Procedures in response to the feedback received during the community consultation period with a request that the Employee Relations Committee recommend approval of the amendments to the Board.

3.  February 6, 2020 (OPEN SESSION)
Action/Follow up: publish proposed amendments with a call for comments; review all comments received through the consultation process in May 2020 with the applicable Responsible Executives, the Registrar’s Office, and the Employee Relations Committee Chair; present final proposal for recommendation to the Board.

The following Executive Summary assumes familiarity with the prior submissions and provides a status update from the date of the most recent submission.

EXECUTIVE SUMMARY
Proposed amendments to the Academic Heads Policy and its Procedures were published for community consultation from February 10, 2020 until April 30, 2020. A summary of the feedback received during the community consultation period and recommended changes as a result of such feedback is attached in Supplemental Materials #1. The following sets out a summary of the major changes proposed in response to the feedback received during the community consultation period.
1. Additional language is included to provide that in making appointments to Advisory Committees, the Chairs of the Advisory Committees will consider equity and will seek to include a diverse range of perspectives and experiences, such as from various academic disciplines and underrepresented stakeholder communities.

2. References to “his/her” and “his or her” are proposed to be replaced with references to the specific person doing the action.

In addition to the above, two additional amendments (which have not been previously presented to the Employee Relations Committee) are being proposed, as set out below.

3. Previously proposed language in section 5.3 of the Procedures to the Academic Heads Policy, which had provided that the Registrar would determine the procedures and timelines for nominations and elections of faculty members of Advisory Committees, is no longer being proposed. This language was initially proposed to provide clarity and consistency around the procedures and timelines that govern nominations and elections of members of Advisory Committees for the selection of Academic Heads. However, a Governor had expressed concerns with including this language. The Office of the University Counsel undertook further consultation with other key stakeholders who have confirmed that they are comfortable with removing the initially proposed language. The various Faculties that have departments set their own timelines and procedures for nominations and elections of Advisory Committee members, and while these Faculties have slightly differing processes for conducting nominations and elections, no concerns were raised regarding the current processes or lack of absolute clarity in the Academic Heads Policy as to who determines these processes.

4. The last proposed amendment updates the definition of “UBC Okanagan Faculty” to reflect the division of the Faculty of Arts and Sciences (also known then as the Irving K. Barber School of Arts and Sciences) into two autonomous Faculties: one named the Faculty of Science and one named the Faculty of Arts and Social Sciences, effective July 1, 2020.

The Chair of the Employee Relations Committee, the Provost and Vice-President, Academic (UBC Okanagan), the Provost and Vice-President, Academic (UBC Vancouver), the Registrar’s Office, and the University Counsel have reviewed and recommend the proposed amendments to the Academic Heads Policy and its Procedures.

Capitalized terms used in these Procedures that are not otherwise defined herein shall have the meanings given to such terms in the accompanying Policy, being the Academic Heads Policy.

1. Assignment of Responsible Executive
   1.1 The Responsible Executive will be the Provost and Vice-President, Academic (UBC Vancouver) in relation to matters regarding Heads of Academic Units at UBC Vancouver, unless otherwise required.
   1.2 The Responsible Executive will be the Provost and Vice-President, Academic (UBC Okanagan) in relation to matters regarding Heads of Academic Units at UBC Okanagan, unless otherwise required.

2. Terms and Conditions of Appointments and Extension of Appointments
   2.1 A letter of appointment confirming in writing the terms and conditions of the appointment or extension of appointment, including remuneration, administrative leave, and the responsibilities delegated to the Head, must be provided from the Dean to the Head at or before the effective date of the appointment or extension of appointment. In all cases, acceptance of the appointment must be confirmed in writing by the Head, a copy of which will be included with the Faculty Appointment Form.
   2.2 As part of their appointment, Heads will have access to training, time, and support to assist them in carrying out their responsibilities.
   2.3 Remuneration:
      2.3.1 For appointments: In addition to the salary a Head receives as a faculty member, the Head will receive an administrative stipend and may also be granted a teaching release for performing the duties as Head, all documented in accordance with Section 2.1 of these Procedures. The administrative stipend will be discretionary in amount, but not less than $5,000 per year.
      2.3.2 For extension of appointments: If the form or amount of remuneration of a Head is to be changed upon commencement of an extension, such change must be established and documented in writing at or before the effective date of the extension.
2.3.3 For pro tem appointments: A Head pro tem may receive an administrative stipend, identified at the time of designation, discretionary in amount, and agreed to and confirmed in writing, for taking on the role of Head in a pro tem capacity.

2.4 Administrative Leaves

2.4.1 Recognizing that administrative leave is intended to provide a reasonable period of time for administrators who are returning to the academic ranks to focus on their scholarly and professional activities and to re-integrate with their disciplines before they resume their regular duties as faculty members, the Responsible Executive will grant an administrative leave, with full salary and benefits, to the Head provided that:

(a) administrative leave will only be granted to the Head where the Head actually returns to active duty as a faculty member for at least one year immediately after the period of the administrative leave; and

(b) a Dean, in the Dean’s discretion, may require a Head to set out the rationale for the administrative leave and how it will benefit the Academic Unit/University as well as the Head. A report on activities and progress during the administrative leave may be required upon completion of the administrative leave.

2.4.2 The duration of such administrative leaves will be eight months for successful completion of a three-year term and 12 months for successful completion of a five-year term.

2.4.3 Where the Head has been granted an administrative leave pursuant to Article 2.4 of these Procedures and the appointment of the Head is subsequently extended, any such administrative leave may be deferred and taken at the end of the extended term unless otherwise determined by the Responsible Executive. In addition, the Responsible Executive may, in the Responsible Executive’s discretion, grant a further administrative leave, to be taken at the conclusion of the extended term; provided however that the total duration of administrative leaves granted in respect of an initial appointment and granted in respect of any extensions together must not exceed 18 months.

2.4.4 A faculty member who serves as Head will not lose any service time accrued towards a study leave prior to the appointment.

2.4.5 Where an administrative leave is granted, the time served as a Head and time taken on administrative leave will not be included in years of service for the purpose of calculating study leave.

2.4.6 During the period of administrative leave, the faculty member continues to be a full-time employee of the University, and is required to comply with the University’s policies and procedures.

2.4.7 Any arrangements with respect to administrative leave for a Head that were established and documented in writing prior to February 7, 2011 will not be affected by these Procedures.
2.4.8 Any exceptions to these Procedures dealing with administrative leave may only be made with the written approval of the Responsible Executive.

2.5 Termination: A Head’s appointment normally may be terminated upon 30 days written notice: by the Responsible Executive to the incumbent, following consultation with the Dean; or by the incumbent to the Responsible Executive and the Dean.

3. Process for the Appointment of a Head

3.1 For the appointment of a Head, the Dean will convene an Advisory Committee. The Head (or Head pro tem) will provide the Advisory Committee with a report of the Academic Unit’s accomplishments and challenges. The Advisory Committee will consider the Head’s report and the results of any recently completed review of the Academic Unit. The Advisory Committee will seek input from faculty members, students, and administrators within the Academic Unit and such persons from outside the Academic Unit as the Advisory Committee may deem appropriate.

3.2 The mandate of the Advisory Committee will be to advise the Responsible Executive on a candidate for appointment as Head and may also advise the Responsible Executive on matters of future priorities for the Academic Unit. The Dean will also provide advice to the Responsible Executive on these matters. The Responsible Executive will consider the recommendations of both the Advisory Committee and the Dean.

3.3 For clarity, this process does not apply to pro tem appointments made pursuant to Article 6 of the Policy.

4. Process for Extension of Appointment of a Head

4.1 Consideration for extension of an appointment will take place only if the Dean and the Head agree to consider an extension and the Responsible Executive authorizes the consideration.

4.2 For the extension of an appointment of a Head, the Dean will normally convene an Advisory Committee for the extension of an appointment of a Head.

4.3 The Head (or Head pro tem) will provide the Dean with a report of the Academic Unit’s achievements and challenges. The Dean or the Advisory Committee, as the case may be, will consider the Head’s report and the results of any recently completed review of the Academic Unit. Whether or not an Advisory Committee is established, the Dean will ensure that faculty members, students, and administrators within the Academic Unit are consulted and their comments considered.

4.4 If an Advisory Committee is established, its mandate will be to advise the Responsible Executive on the extension of an appointment of a Head and may also advise the Responsible Executive on matters of future priorities for the Academic Unit. The Dean will also provide advice to the Responsible Executive on these matters. The Responsible Executive will consider the recommendations of both the Advisory Committee and the Dean.
4.5 For clarity, this process does not apply to pro tem appointments pursuant to Article 6 of the Policy.

5. Advisory Committees

5.1 The Dean (or designate) will chair an Advisory Committee as a non-voting member.

5.2 The size of an Advisory Committee will be determined by the Dean.

5.3 At least 50% of the voting members of an Advisory Committee will be elected by and from tenured or tenure track faculty members from the Academic Unit, with the remainder to be appointed by the Dean. If no individual is elected by the end of an election process, the Dean may appoint the requisite number of members from the applicable constituency. In making appointments, including replacement appointments under Article 6 of these Procedures, the Dean will consider equity and will seek to include a diverse range of perspectives and experiences, such as from various academic disciplines and underrepresented stakeholder communities. The Dean must consult with the Responsible Executive before confirming the Dean’s appointees to the Advisory Committee.

5.4 The Chair of an Advisory Committee will be responsible for calling meetings.

5.5 Meetings may be held face-to-face, via telephone conference, video conference or any means recommended by the Chair of the Advisory Committee.

5.6 The quorum required to transact business at meetings will be a majority of the members of the Advisory Committee.

6. Replacement of Advisory Committee Members

6.1 Vacancy or Inability to Participate: If a member of an Advisory Committee becomes unwilling or unable to serve as a member of the Advisory Committee before it has completed its work, the Chair, in consultation with the Responsible Executive, may appoint a replacement member. While the replacement member may be any person whose participation is expected to contribute significantly to the activities of the Advisory Committee, the usual practice is for the replacement member to be from the same stakeholder group as the person being replaced.

6.2 Student Status: If a student member of an Advisory Committee ceases to be a student at the University but remains willing and able to continue to serve as a member of the Advisory Committee, the Chair, in consultation with the Responsible Executive and the relevant student group, may permit the student to continue to serve or may appoint a replacement student member. Any such replacement student must meet the same eligibility requirements as the student who is being replaced. For example, if the student being replaced is a graduate student selected from the graduate students associated with a specific Faculty, the replacement student will be appointed from the graduate students associated with that Faculty.

6.3 If a replacement member is not appointed, the Advisory Committee may complete its work notwithstanding the vacancy.
7. **Review**

7.1 Reviews of Academic Units are expected to be performed at regular intervals.

7.2 Where a review is to be conducted, the *Dean* will arrange for the review of the *Academic Unit*, in the manner set out in the relevant Senate and Faculty policies.

| 1.  | Re-place use of “his/her” language | 3.2, 5.2.1 of Academic Heads Policy & 2.4.1(b), 2.4.3, 5.3 of its Procedures | Change recommended

| 2.  | Diversity and representation on Advisory Committees  
The Policy uses the following language in the Advisory Committee composition tables: “Such other person(s) as the Chair may choose to appoint”. The feedback expressed concern that this does not make clear on what basis or with what criteria in mind the Chair is making the Chair’s appointments and that this raises questions about diversity and representation. | 5.3 of the Procedures associated with the Academic Heads Policy | Changes recommended  
Additional language is proposed to be included in the Academic Heads Policy to provide that in making appointments to Advisory Committees, the Chair of the Advisory Committee will seek to include a diverse range of perspectives and experiences, such as from various academic disciplines and underrepresented stakeholder communities. |

3.1 For the appointment of a Head, the Dean will convene an Advisory Committee. The Head (or Head pro tem) will provide the Advisory Committee with a report of the Academic Unit’s accomplishments and challenges. The Advisory Committee will consider the Head’s report and the results of any recently completed review of the Academic Unit. The Advisory Committee will seek input from faculty members, students, and administrators within the Academic Unit and such persons from outside the Academic Unit as the Advisory Committee may deem appropriate.

3.2 The mandate of the Advisory Committee will be to advise the Responsible Executive on a candidate for appointment as Head and may also advise the Responsible Executive on matters of future priorities for the Academic Unit. The Dean will also provide advice to the Responsible Executive on these matters. The Responsible Executive will consider the recommendations of both the Advisory Committee and the Dean.

3.3 For clarity, this process does not apply to pro tem appointments made pursuant to Article 6 of the Policy.

4. Process for Extension of Appointment of a Head

4.1 Consideration for extension of an appointment will take place only if the Dean and the Head agree to consider an extension and the Responsible Executive authorizes the consideration.

4.2 For the extension of an appointment of a Head, the Dean will normally convene an Advisory Committee for the extension of an appointment of a Head.

4.3 The Head (or Head pro tem) will provide the Dean with a report of the Academic Unit’s achievements and challenges. The Dean or the Advisory Committee, as the case may be, will consider the Head’s report and the results of any recently completed review of the Academic Unit. Whether or not an Advisory Committee is established, the Dean will ensure that faculty
members, students, and administrators within the Academic Unit are consulted and their comments considered.

4.4 If an Advisory Committee is established, its mandate will be to advise the Responsible Executive on the extension of an appointment of a Head and may also advise the Responsible Executive on matters of future priorities for the Academic Unit. The Dean will also provide advice to the Responsible Executive on these matters. The Responsible Executive will consider the recommendations of both the Advisory Committee and the Dean.

4.5 For clarity, this process does not apply to pro tem appointments pursuant to Article 6 of the Policy.

5. Advisory Committees

5.1 The Dean (or designate) will chair an Advisory Committee as a non-voting member.

5.2 The size of an Advisory Committee will be determined by the Dean.

5.3 At least 50% of the voting members of an Advisory Committee will be elected by and from tenured or tenure track faculty members from the Academic Unit, with the remainder to be appointed by the Dean. The Registrar will determine the procedures and timelines for nominations and elections of faculty members of Advisory Committees. If no individual is elected by the end of an election process, the Dean may appoint the requisite number of members from the applicable constituency. In making appointments, including replacement appointments under Article 6 of these Procedures, the Dean will consider equity and will seek to include a diverse range of perspectives and experiences, such as from various academic disciplines and underrepresented stakeholder communities. The Dean must consult with the Responsible Executive before confirming the Dean’s appointees to the Advisory Committee.

5.4 The Chair of an Advisory Committee will be responsible for calling meetings.

5.5 Meetings may be held face-to-face, via telephone conference, video conference or any means recommended by the Chair of the Advisory Committee.

5.6 The quorum required to transact business at meetings will be a majority of the members of the Advisory Committee.

6. Replacement of Advisory Committee Members

6.1 Vacancy or Inability to Participate: If a member of an Advisory Committee becomes unwilling or unable to serve as a member of the Advisory Committee before it has completed its work, the Chair, in consultation with the Responsible Executive, may appoint a replacement member. While the replacement member may be any person whose participation is expected to contribute significantly to the activities of the Advisory Committee, the usual practice is for the replacement member to be from the same stakeholder group as the person being replaced.
6.2 **Student Status**: If a student member of an *Advisory Committee* ceases to be a student at the University but remains willing and able to continue to serve as a member of the *Advisory Committee*, the Chair, in consultation with the *Responsible Executive* and the relevant student group, may permit the student to continue to serve or may appoint a replacement student member. Any such replacement student must meet the same eligibility requirements as the student who is being replaced. For example, if the student being replaced is a graduate student selected from the graduate students associated with a specific Faculty, the replacement student will be appointed from the graduate students associated with that Faculty.

6.3 If a replacement member is not appointed, the *Advisory Committee* may complete its work notwithstanding the vacancy.

7. **Review**

7.1 Reviews of Academic Units are expected to be performed at regular intervals.

7.2 Where a review is to be conducted, the *Dean* will arrange for the review of the *Academic Unit*, in the manner set out in the relevant Senate and Faculty policies.

If the incumbent does not wish to continue in his or her position beyond the expiration of the incumbent’s current term of appointment or if it is determined at any stage that an extension of the term of the incumbent should not be considered, the Dean will follow the process for the appointment of a Head contained in the Procedures to this Policy;

5.2.2 Follow the process for the extension of an appointment of a Head contained in the Procedures to this Policy, if the Dean believes it would be desirable to consider extending the incumbent’s appointment and if the length of the proposed extension is for a period of more than one year; and

5.2.3 Make a recommendation to the Responsible Executive as to whether it would be desirable to consider extending the incumbent’s appointment, the length of the proposed extension, and the terms and conditions of any such extension.

6. Pro Tem Appointments
