EXECUTIVE SUMMARY

Board of Governors' Policy #GA6 'Naming' establishes policies and procedures for approving names for campus facilities. The President forwards Class 1 facility naming recommendations from the Naming Committee to the Board of Governors for approval. The Naming Committee may recommend that a facility be named to reflect its use, to honour someone associated with the University, or to recognize a donor.

On August 12, 2021, the Naming Committee considered the following Class 1 Facility requested by the Arts Undergraduate Society and supported by the Dean of Arts:

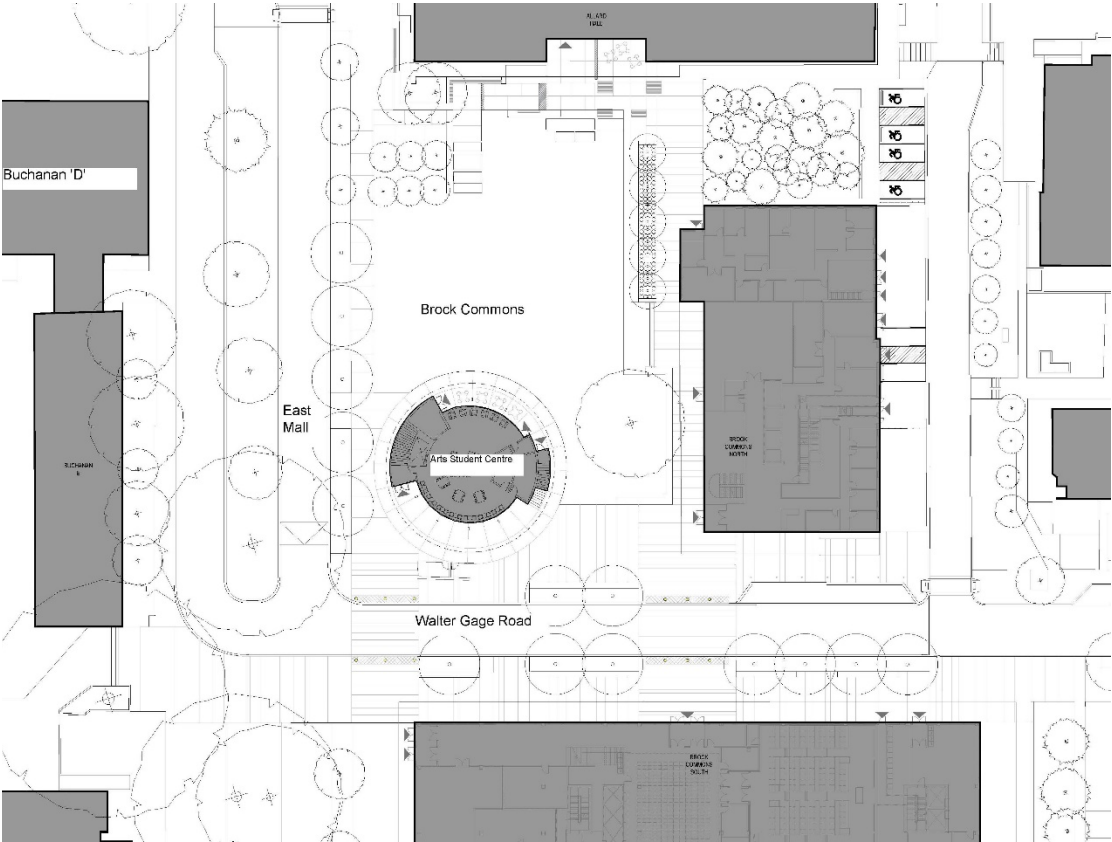

Arts Student Centre – A new stand-alone three-storey multi-purpose facility that will provide a centralized learning and social space with much-needed amenities for the diverse Faculty of Arts student population. The facility will include study, meeting, and event space, as well as the offices of the Arts Undergraduate Society.

The Naming Committee considered the naming request and resolved to recommend the proposal to the President for referral to the Board of Governors for approval.
