12. **William Roy Kuzenko Memorial Endowment Fund:** A bequest of \$570,000 from the Estate of Jannette Marianne Zimmerman has established an endowment fund to be known as the “William Roy Kuzenko Memorial Endowment Fund” (the “Kuzenko Fund”). Under the terms of the Will of Ms. Zimmerman, the Kuzenko Fund is to be used to support “a scholarship annually to a student or students enrolled in the third or fourth year of the Faculty of Applied Science in Engineering”. The University has been contacted by Ms. Zimmerman’s representative to request, as Ms. Zimmerman’s dying wish, that notwithstanding the specified name of the fund set out in her Will, that her name also be included in the name of the Fund. Further, the University was advised by Ms. Zimmerman’s representative that notwithstanding the reference to “scholarship” in her Will, Ms. Zimmerman wished for the fund to support bursaries. The Faculty of Applied Science has confirmed that it would be desirable to have the Fund support bursaries. Finally, the award adjudication process set out in the Will is not in accordance with the University’s policies for student awards. As the Will provides the power to the Board of Governors to change the terms of the Fund, we will also be bringing this forward at the University’s March 2022 Board of Governors’ meeting to request a variation of the terms of the Kuzenko Fund. Before we can vary the terms, the first step is for the University to establish the Kuzenko Fund under the original terms of the gift in the Will.
