Hi Ainsley,

I hope you are doing well! I am writing from the VP Finance Office at the AMS of UBC Vancouver. I want to notify you of an increase to the Pharmacy Undergraduate Society student fee that has been approved.

The UBC Pharmacy Undergraduate Society (PhUS) has conducted a referendum for an increase of \$10 to membership fees for all PhUS members, from \$66.68 to \$76.68, beginning September 2022. The added funding will be used by PhUS for subscriptions to an online medical resource called UpToDate- that would be used to support members' learning in an academic setting and while on practicum.

Overall, we are proposing a fee increase of the PhUS fee to \$76.68, to be assessed to Pharmacy students beginning September 2022.

Please let me know if you need any other information from me.

Thank you,

Mary Gan
Vice President, Finance of the AMS of UBC Vancouver
