PRIOR SUBMISSIONS

The subject matter of this submission was considered previously by the Board of Governors on [June 14, 2018](#) (OPEN SESSION). No Action/Follow up was requested.

The following Executive Summary provides an update from the date of the most recent submission.

EXECUTIVE SUMMARY

The Dual Master of Architecture (M.Arch.) and Master of Landscape Architecture (M.L.A.) is a 149-credit dual-degree program first offered in 2016-2017. In June 2018, the School proposed a reduced minimum number of instalments for advanced placement students in this dual program from 12 instalments (4 years) to 9 instalments (3 years). This was approved by the Board of Governors.

The School recently became aware that these advanced placement students are able to complete the degree requirements in 2 years and 8 months, and have been lobbied by this group of students to further reduce the minimum instalments accordingly. The School is in support of this request and is therefore recommending a further reduction in the minimum number of instalments from 9 to 8.

As no new fees are included in this submission, no further student consultation has been conducted.
