EXECUTIVE SUMMARY

The Faculty of Forestry proposal to develop a new part-time option of their existing Master of Urban Forestry Leadership (MUFL) program was approved at the Board of Governors meeting on March 31, 2023. In error, the proposal indicated a start date of September 1, 2023 (Winter Term 1). The proposal should have reflected a start date of July 1, 2023 (Summer Term 2) to align with the MUFL full-time program. The update to the start date was approved by the Senate, with delegated approval to the Graduate Curriculum Committee at their April 14, 2023 meeting.
