EXECUTIVE SUMMARY

Board of Governors' Policy #GA6 'Naming' establishes policies and procedures for approving names for campus Places including roads. The President forwards Place naming recommendations from the Naming Committee to the Board of Governors for approval.

On August 17, 2023 the Naming Committee recommended the following Place naming request for a new road in the Wesbrook Village Neighbourhood on the Vancouver Campus.

"Binning Avenue": The Wesbrook Village Neighbourhood was expanded to the southeast to allow for development of the former BC Research site. This new subdivision introduced a new road connecting the south end of Binning Road with Wesbrook Mall to the west. The new road is effectively an extension of Binning Road. However to improve way finding and to align with the established use of the road types Road and Avenue, Campus and Community Planning recommended the new road be named Binning Avenue.
