### EXECUTIVE SUMMARY

At its September 25, 2024 meeting, the Board of Governors approved amendments to a number of Board Policies following the completion of a review process aimed at rationalizing the number of policy-required reports coming to the Board and its Committees. The Secretariat has undertaken a review of the Standing Committee Terms of Reference to ensure that they reflect the changes in reporting that were approved as part of the policy process. This briefing sets out amendments to the committees' Terms of Reference as required to align with the policy amendments approved thus far and recommends the amended Terms of Reference to the Governance Committee for approval. It is anticipated that further policy amendments will be considered at the December 5, 2024 Board meeting, which may give rise to additional amendments to committee Terms of Reference.
